Full and complete address in block letters

hereby claim right of Political Self-Determination and Political Self Governance collectively with all equally claimant constituents in Canada wherein I reside. Having read, cognitively understood and acknowledged all natural inalienable rights conferred to me as a citizen and soul, I solemnly swear before witness that I am in full agreement and consent with this convention and I do rightfully consent to the abolishment of political party representation on my behalf, and move onto the implementation and Enforcement of 'THE DIRECT DEMOCRACY SYSTEM OF GOVERNANCE (DDSG**) AND THE CREATING OF A NEW CONSTITUTION FOR CANADA' and the compliance with and upholding of all 'THE INDIGENOUS TREATY RIGHTS'.

(***DDSG*) Historical & exceedingly functional Governance System proposed by the 'i-ACUSE' movement in which Final Decision Making Authority is held and set forth by the population through the voting process and within which no; single person, select group of elite or select party, could have original decision making power or authority on any Major issue or matter affecting the population in general, all National, Provincial and Municipal decisional powers being subject to a majority vote by the affected population.*

Upon reaching a majority signing of this document by consenting constituents in Canada, this convention will thereafter be concluded as Enacted and shall hold Official Standing. All transferred rights of authority and powers shall be transferred to the Population, as well as will be enforced the collective ownership of land & rights of property and the independence they apportion. Direct Democracy shall Officially move into effect and the new governance system shall be as seamlessly possible instigated, wherein a new Constitution shall be by the people created.

I, here sign before witness in _____ on this _____ day of _____ in year 20____
(Location, town, city and county, state or province) Month year
